Mr Thomas F. Kelly
Board of Education
Patterson N.J.

Dear Mr Kelly:

I am writing to tell you we will not be able to use the ballpark at Patterson this coming Saturday June 26th. Circumstances beyond our control have caused the cancellation.

If there has been any expence involved or the park will suffer any loss as a result, please let me know.

We are meeting in Philadelphia this coming Friday, and I am going to try at that time to interest the league in trying to build Patterson up.

Very Truly Yours
